

To Whom It May Concern:

Since January 1, 2003, the International Morab Registry requires all Morabs foaled after that date be DNA tested and Parent Verified. In order to Parent Verify foals from one Arabian parent, the lab requires the DNA codes of the Arabian parent.

As owner of the Arabian Mare Stallion

Name _____ Registration number _____

I request the DNA codes be sent to the International Morab Registry at: IMR, 24 Bauneg Beg Road Sanford, ME 04073 or faxed to 207-490-7151.
